## aussie windows

**product features** Aussie Windows offer windows and doors that will give your house its distinctive look. From the outside, they give the house its personal character and from the inside, they give the light you need and the aesthetic appearance you want for your house. Aussie Windows door and window systems are a unique blend of style, technology, simplicity and affordability. Following many years of research and development, this simple streamlined system combines sleek European beauty with the benefits of superior thermal and acoustic insulation. The Euro-Collection offers features, appearance and performance that are second to none. **for more information** Aussie Windows **tel** 02 9525 6755 **fax** 02 9525 1255 **web** www.aussiewindows.com.au

## daniel robertson brick snaps™

**product** Brick Snaps – the revolutionary way to integrally cast thin brick into concrete panels **manufacturer** Daniel Robertson Australia **features** Thin clay bricks are delivered in individual plastic frames known as Brick Snaps. These frames are 'snapped' together on the form bed. After reinforcing has been placed, concrete is then poured over the Brick Snap assembly. When the panel is erected, the plastic snaps are stripped from the face. The brick faces are treated to allow easy removal of any concrete leakage, so cleaning is simple and easy. **materials/finishes** a variety of fired clay colours **available from** Daniel Robertson display and showroom 58-74 Station Street, Nunawading, Victoria **for more information** Daniel Robertson **tel** 03 9875 3000 **fax** 03 9894 1804 **email** sales@danielrobertson.com.au **web** www.danielrobertson.com.au

## heliogreen blind collection

**designer** Claudette Shakespeare **manufacturer** Helioscreen Australia Pty Ltd

**materials/finishes** 100% Polyester **product features** The Heliogreen Collection is for those who care about the environment but want the same qualities as a sunscreen blind. This PVC free fabric performs to the same standards as a sunscreen blind. The collection was designed along classically pure modern lines and features an effective anti-glare screen with UV protection whilst still allowing for a view to the outside world. The Heliogreen Collection is perfect for Green Star buildings. Helioscreen is a major sponsor of the Green Building Council of Australia for 2007/2008.
