Its stain, scratch and water resistant properties a Geo Washplane crafted from CaesarStone, delivers the perfect combination of durability, style and sustainability. The Geo Washplane is available in 3 of the CaesarStone's classic colours: Mink, Snow and Latte. **for more information** Omvivo **phone** +61 3 9339 8130 **web** info@omvivo.com

manufacturer Eco Outdoor **features** Eco Outdoor's range of travertine and limestone is bound to make a statement to architecture and design enthusiasts alike. This provincial flooring range includes a number of limestone and travertine varieties, which have been tumbled to give a distressed, aged appearance. This provincial flooring range offers a real sense of permanency and timeless appeal and, with subtle colour movement and tonal change, like all natural stone, they just get better with age. For more information please check out our new specifier website. **for more information** Eco Outdoor **phone** 1300 13 14 13 **email** info@ecooutdoor.com.au **web** www.ecooutdoor.com.au

travertine and limestone flooring

book bond brick façade

designer John Wardle Architects for the Nigel Peck Centre for Learning and Leadership, Melbourne Grammar School **manufacturer** Daniel Robertson Australia **features** Richly textured clay bricks in natural earthy tones specifically developed to complement the original bluestone in the surrounding older buildings **available from** Daniel Robertson **dimensions** Customised corner squints were crafted to specific angles giving the architect the ability to use a brick-like textile to wrap around the building form. Corners varied from less than 90 degrees to greater than 90 degrees **materials/finishes** Hand rubbed solid bricks provided a smooth surface for seating areas. Daniel Robertson bricks are renowned for their texture and natural tones, visible here with melted ironstone character and subtle blending of colour **for more information** Visit the display at 58 – 74 Station Street, Nunawading, Vic **phone** 03 9875 3000 **fax** 03 9894 1804 **email** sales@danielrobertson.com.au **web** www.danielrobertson.com.au
